GANESH PRATISTHAPNA

All the students of BCACS celebrated Ganesh Pratisthapna on Thursday, 13th September 2018 in the BCACS campus at 10.00 a.m. The festival was marked with the installation of Lord Ganesh's clay idol in the campus. Upon the installation of the idol there was an uplifting and spirited performance by the *pathak* that was invited specially for the occasion. The performance was successful in bringing everyone together in the spirit of the festivities. The dignitaries invited and the faculty members of the junior and senior college together performed the *aarti* asking the Lord for his blessings. Dr. Dimple Saini (CDC, Chairperson) also paid a visit to the campus on the auspicious occasion.

The *aarti* was followed by spiritual, traditional dance performances by both BLC as well as BCACS. The celebration was successful in getting the students and faculty members in the spirit of the festival. Every day for nine days after Ganesh Chaturthi there was a special aarti conducted in the morning to give a blissful start to everyone's day and in the evening to ask God to look upon our actions. The festival is considered sacred by all and is one of the most awaited celebrations in the campus.

GANESH VISARJAN

“God is never late, but on time”

Michelle Murray

Upon completion of the nine days for which Lord Ganesh is served and prayed to, it was now time to bid him goodbye. On 17th September, 2018 all the students from BCACS, participated wholeheartedly in the celebrations of Ganesh Visarjan. The celebration began with the aarti after which all the students were allowed to celebrate the farewell of the Lord by dancing and enjoying themselves. It is believed that instead of a sad farewell the Lord should be given a cheerful, joyous send off so that he returns next year as soon as possible.

The college in order to give their students a proper celebration also arranged for a professional DJ. The students danced and sang to the tunes and enjoyed the celebrations with their friends and professors. As time came to bid farewell to Lord Ganesh the students gathered around the idol and rallied cries asking the Lord to come again next year.
