Reports on " Workshop on Self-defence for the girls."

Date: 26/08/2022

Time: 12.00 PM. To 01.30 PM.

Balaji College of Arts, Commerce and Science organized Workshop on Self-defence for the girls 26/08/2022.

Principal Dr. O. M. Ashtankar and Dr. A. R. Wankhede welcomed all students and faculty members for Workshop on Self-defence for the girls Celebration organized by college from 12.00 PM. To 01.30 PM at BLC Library. 26/08/2022.

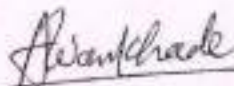

Mr. Ashok Vetel informed the students about the importance of Karate. He demonstrates some important exercises of Karate and different self-defence techniques.

Self-defence helps women protect themselves and their family. In my opinion, this is the most important reason for women to learn self-defence, because it is the difference between life and death, even though women are smaller and not as strong, this discipline helps women use their opponent's mechanics against them, such as their height, weight, and even strength. In a self-defence situation, this is pivotal. The majority of attackers are not going to be proficient in martial arts. This provides an edge to women when in a self-defence situation.

The coaching included self-defence fighting techniques followed by some basic background regarding self-defence, diet and exercise for healthy living. The session includes learning of techniques and its application through practical demonstration as well as practicing it with other participating girls. He suggested students to proper diet meals for participating students to enhance their energy level.

Principal Dr. O. M. Ashtankar expressed his views on importance of self-defence.

The programme was concluded with vote of thanks by Dr. A. R. Wankhede.
