

Report on National Conference Sustainability and Development

Inaugural Program:

Date: 19/02/2024, Monday (9.00am)

Venue: BCACS Seminar Hall

The National Conference on Sustainability and Development was a pivotal event that brought together experts, practitioners, and enthusiasts to deliberate on the theme of "Sustainability Development." BCACS organized the conference on 19th February in to pay tribute to the founder president of Sri Balaji Society, our beloved Dr.Bala sir, on his 3rd memorial day. The conference featured insightful discussions, engaging presentations, and thought-provoking dialogues, with notable speakers like Shailaja Deshpande and Dr. Erach Bharucha providing key insights.

Introduction:

The National Conference on Sustainability and Development took place on 19/02/2024 at BCACS Seminar Hall. The conference aimed to address the pressing challenges of our time and explore sustainable solutions for holistic development. The theme of Sustainability Development was chosen to emphasize the critical need for balancing economic growth, social equity, and environmental conservation.

Conference Overview:

The conference commenced with an opening ceremony that set the tone for the event. Distinguished guests, scholars, and participants gathered to exchange knowledge and ideas. The agenda included a series of plenary sessions, panel discussions, and Conference covering various facets of sustainability and development.

Key Speakers:

Dr. Erach Bharucha:

Dr. Erach Bharucha, a leading expert in environmental science, provided a comprehensive overview of the ecological challenges facing our planet. His keynote address during the inaugural session focused on the urgent need for conservation efforts, biodiversity protection, and

sustainable resource management. Dr. Bharucha's insights underscored the interconnectedness of environmental health and overall development.

After the inaugural session, the paper presenters were grouped in to 3. Student group monitored by Prof.Neha Srivastav and Prif.Sai Vijetha, The external judges were Dr Mulla and Dr. Ashar Khan. Faculty track 1 monitored by Track 1 Dr.Revti Deshkar and Prof. Apeksha Agarwal. The panel judges were Dr.Nilesh Kharche and Dr. Sumit Roy. Faculty track 2 was monitored by Dr. Anjum Khan and Prof.Anil Aralikar. Total 50 research papers were presented in the conference.

Key Themes and Discussions:

1. Sustainable Urbanization:

Discussions revolved around creating resilient and sustainable urban areas. Experts highlighted innovative urban planning strategies, green infrastructure, and technology-driven solutions to address challenges associated with rapid urbanization.

2. Climate Action:

The conference addressed the escalating climate crisis, emphasizing the role of individuals, communities, and industries in mitigating climate change. Participants explored strategies for adaptation and resilience in the face of environmental challenges.

3. Social Inclusion and Equity:

Panels and workshops focused on promoting social equity and inclusion in development initiatives. The importance of addressing disparities in education, healthcare, and economic opportunities was emphasized.

Valedictory Program:

Date: 19/02/2024, Monday (3.00pm)

Venue: BCACS Seminar Hall

Mrs. Shailaja Deshpande was the chief guest of the session.

Mrs. Shailaja Deshpande:

Mrs. Shailaja Deshpande, a renowned sustainability advocate, delivered an impactful keynote address. She emphasized the importance of community engagement and the role of grassroots initiatives in conservation of river in Maharashtra. Shailaja is a graduate in Child Psychology and holds a diploma in interior design. She was proprietor at her own business in designing interiors & ran it successfully for 15 years from 1994 – 2009. She has also worked as Director, Kisan Exhibitions Pvt. Ltd during 2000 – 2014. Her urge to work in environmental field was a driving force for doing a diploma course in “Sustainable Management of Natural Resources & Nature Conservation” from Ecological Society. She has also done field botany courses. She has worked as coordinator for a project undertaken by Ecological Society for Global Forest Watch. From 2014 onwards working on Revival of Rivers. She is an active member of Jeevitnadi group, spearheading activities with her excellent communication and leadership skills. She is practicing Toxin free life style in her own house since last 3 years. Actively participating in various workshops and presentations on Toxin free lifestyle organized by Jeevitnadi. Deshpande shared real-world examples of successful community-driven projects and inspired the audience to take collective action to ensure pure drinking water to all.

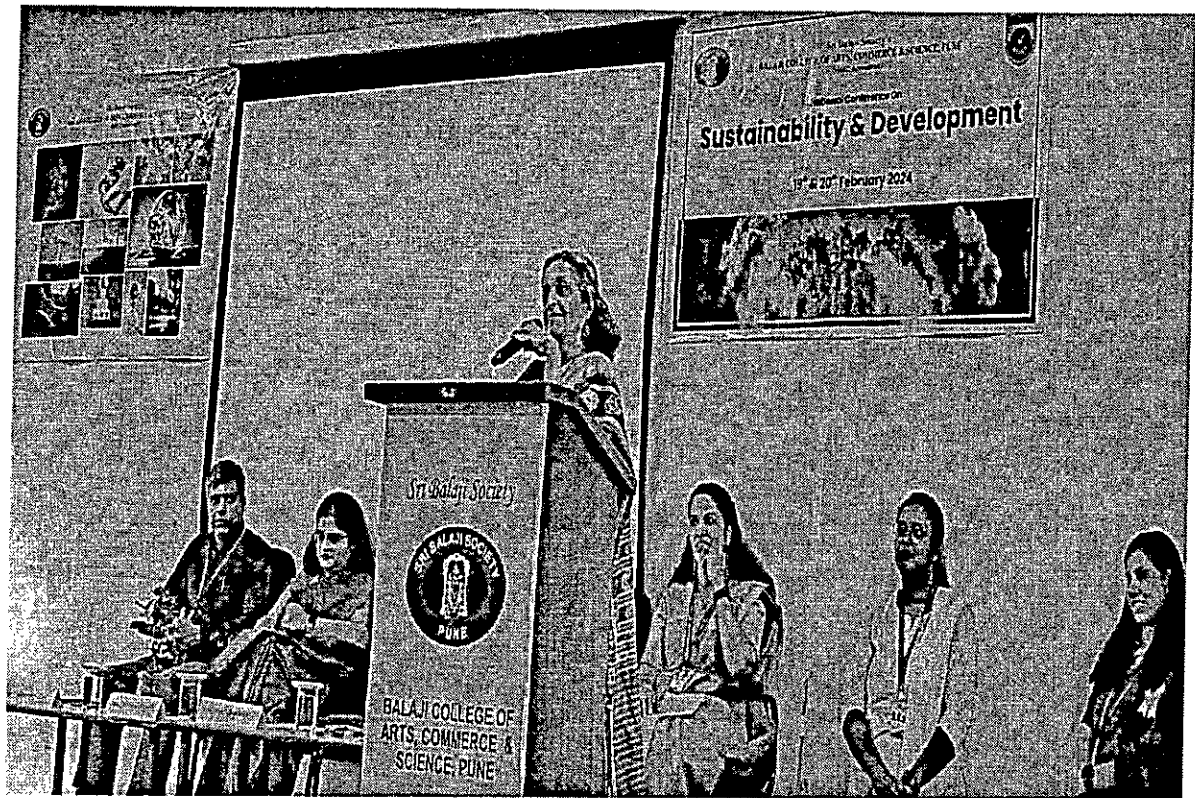

Findings and Recommendations:

The conference yielded valuable findings and recommendations, including the need for:

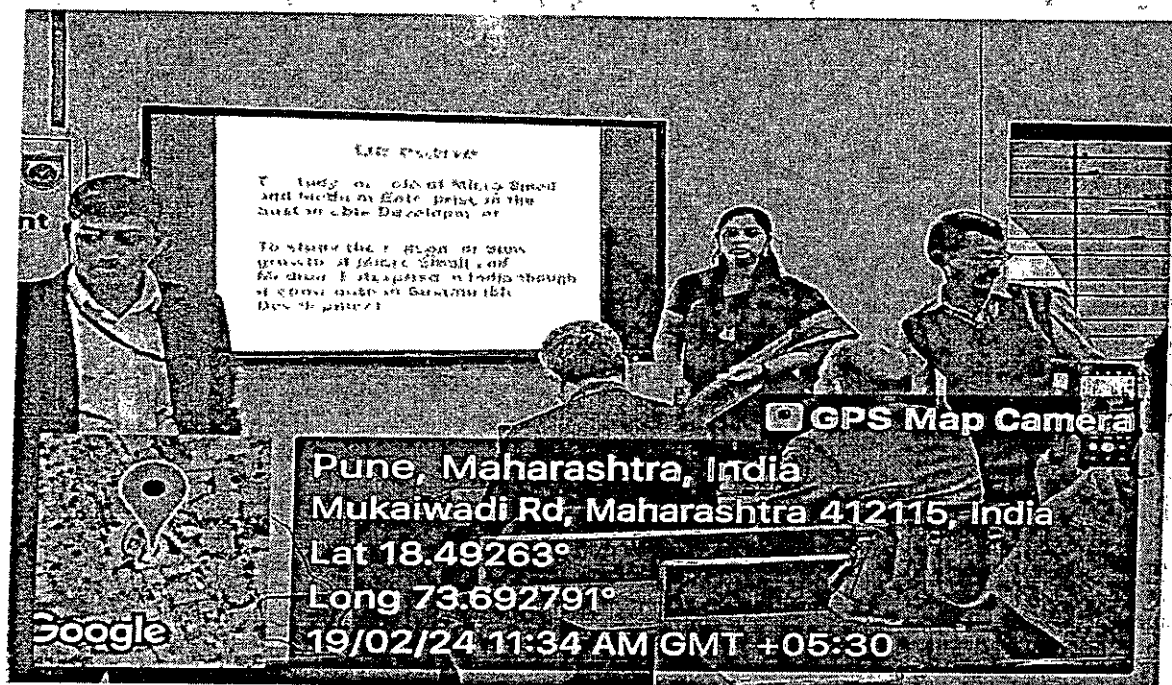

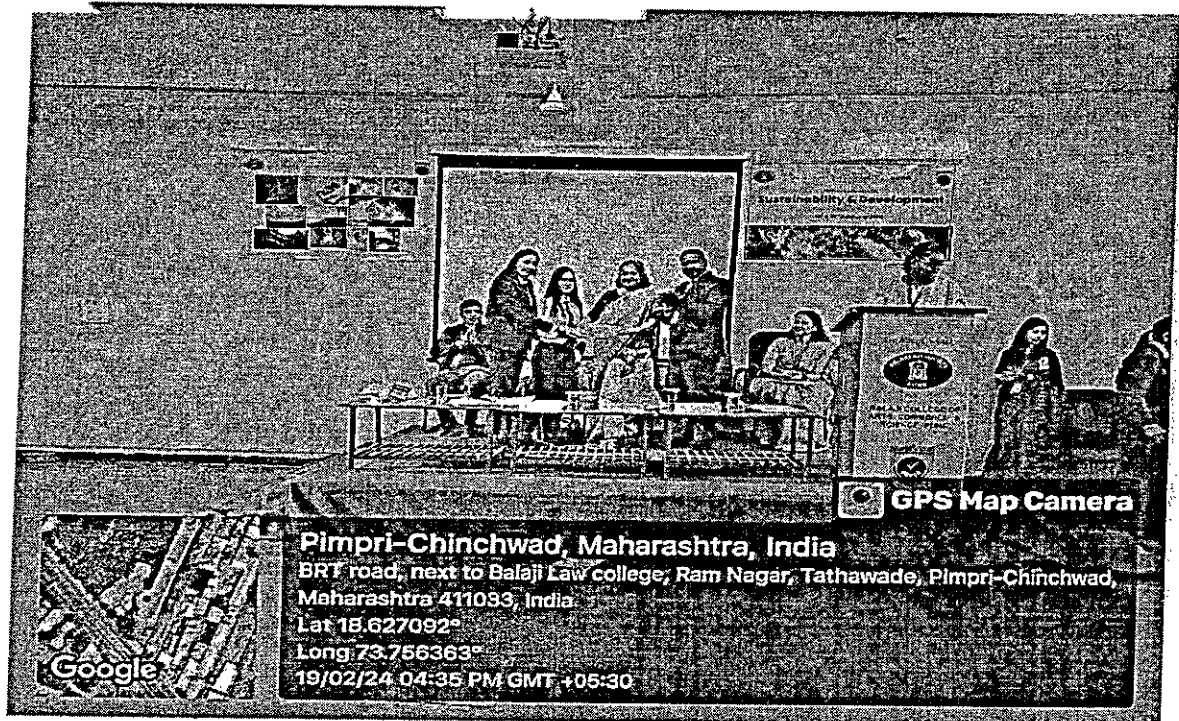

- Integrating sustainability principles into policymaking.
- Fostering collaboration between government, businesses, and civil society.
- Investing in research and education for sustainable development.
- Promoting eco-friendly practices in industries and communities.

Conclusion:

The National Conference on Sustainability and Development served as a catalyst for positive change. The insights shared by key speakers, combined with the collaborative spirit of the participants, will undoubtedly contribute to a more sustainable and resilient future.
